Oasis:

- ◆ We will not be meeting in person for a while. Pastor Brent has set up a reading plan in the YouVersion app where students can read the same devotional and then comment for others to see.
 - ◆ He has also set up a new texting service in Remind. Text: @teens4869 to #81010 (for teens); or @ucmomdad to #81010 for parents.
 - ◆ More to come.
-

Life Groups:

- ◆ We recommend that you follow the guidelines set up by the governor & President as to private gatherings. Please "be the church" with each other by caring & connecting with each other as you are able - via text, phone call, etc. Let each other (or the church staff) know if you have needs that we can help with - getting groceries/food, running an errand... God's Church can still be a strong witness in the midst of this situation and while we aren't meeting face to face.
 - ◆ We can also meet via video conferencing through an app called: Zoom. Contact Jeremiah Wright (jeremiah@jeremiahwright.com) or Pastor Brent to learn some more or if your group would like to give it a try.
-

Wednesday Night Adult Bible Study:

- ◆ Jeremiah will be hosting the adult Bible study via a Zoom video chat on Wednesday evening 3.25.2020. A link will be sent out next week for those that want to join.
- ◆ We're going to be diving into session 9 of 10 on our Emotions study. You'll be able to watch the video via Jeremiah's screen, and then stick around to chat about the lesson after.
- ◆ We'll also have our usual Wednesday evening prayer sheet for a time of prayer as well.
