WTLW-TV 44

TV-44 exists to call unbelievers to Jesus Christ as their Savior, to edify all believers in their faith, to motivate each other to obey the teachings of Christ and to bring about a Christian influence on our society through a well-rounded selection of television programs and online resources. Additionally, we exist to be a beacon to the community with the life-changing message of Jesus Christ, often working alongside or supporting churches and faith-based organizations in the West Ohio region. We are unique in the sense that we are a ministry that is also a nonprofit TV station. TV-44 offers faith based/family friendly/encouraging television 24/7 on TV-44. In 2010, we started a second station (West Ohio Sports Net) to use sports as a ministry opportunity. Most recently, in 2019, we launched WNHO, a TV station operating outside of Defiance. The launch of WNHO greatly expands the potential for our television ministry, with a signal now reaching into southern Michigan and northeastern Indiana. As we continue to pray for opportunities to spread the message of Jesus to all who need to hear, we praise God for the opportunity to further share the message of Jesus Christ via the TV airwaves.

Praises:

- June 13, 2020, TV-44 will celebrate 38 years of Witnessing the Living Word (WTLW) over the TV airwaves.
- The addition of WNHO has largely increased the geographical reach of the TV-44 message.
- Our TV programs are impacting people for Jesus. "I continue to thank God for all the services you offer the community"; comment from TV-44 viewer in Elida. "We appreciate so much the TV 26 station, especially Convocation from Liberty University and Viewpoint with Bob Placie"; comment from TV-26 viewer in Paulding.

Prayer requests

- Financial blessing and provision during our spring campaign (underway now. \$80,000 goal.)
- Wisdom and Godly direction to make decisions during this sudden time of national economic downturn due to COVID-19.
- Longevity for our production equipment. Replacement products are expensive and we desire to be able to use our equipment as long as God will allow.
