IGNITE - SERVICE PROJECTS - SEPT. 20-23

Teens,

This summer, we took a day to serve with Community Relief's 'Ignite' event here in Lima. In September, they are doing an Ignite event near Ludlow Falls. Matt Naylor, director of Community Relief and member of Union Chapel, says there are several landscaping type jobs that the teens could help with. If your parents are ok with it, there could be a roof project.

Our Sunday school teacher, Greg Kruger, is willing to oversee Union Chapel teens that are at Ignite. You would be under his supervision. Lodging will be in the dorms at our camp and all meals would be provided. Orientation meal begins at 5:30 on Wednesday (9/20).

***You are welcome to join Greg anytime that works for you. If you can come Thursday evening or Friday afternoon, just work with Greg (419-234-2132) on how to meet up.*

If you are interested in going to Ignite, please let me or Greg know **by September 6**. There is no cost for this event, even if you stay overnight.
